Hello Brother and Sister,

I'm sorry this prayer letter is later than other times. I had to take about 2 months off of ministry due to health problems and haven't been able to get this ready sooner. I'm going to try to start making some short videos of my classes throughout the next couple months and show them on my ministry website. My prayers are that they will help make it more personable and enjoying to learn about our ministry. This first video is on Wednesday April 10, 2019. During my Aunt Karen and Uncle Jack's visit to my English class at pastor Luis's outreach. We are teaching about children's games and hobbies Go Fish card game. Please visit our ministry website to view both videos there.

Psalm 34:11 King James Version (KJV) Public Domain 11 Come, ye children, hearken unto me: I will teach you the fear of the Lord.

In the short video I'm teaching about parts of the body through a board game and it shows Day of the Children party at pastor George's outreach. Please visit our ministry website <http://fhchildrenmex.weebly.com> to view the video. For more advance students I have them write out the vocabulary for the class lesson. Some of my student are still learning how to read and write in Spanish. For them I use more pictures matching games and verbal communication so they can join in.
