Dear Brothers and Sister,

We send you and your family warm greeting from Puerto Vallarta. These last 3 months have past by very quickly. We pray that you all are doing well. I continue to teach English at pastor George's outreach on Tuesday and Thursdays. Bryan is Pastor George's son. He some time comes to visit and joins my class. Darwin is 6 years and his brother Alexis 11. They both go to Pastor Luis's and Pastor George's outreach. Darwin and Alexis's grandfather Robert (Bob) joins my English class. Angel and Lupita haven't been in my class very often but it was good to see them again. Rebecca and Heriberto are Meki's Aunt and Uncle. They live next door and Meki is in 3rd grade they enjoy learning English. Heriberto's mother who is 90 comes to spend time with the Spanish teacher's class. Rebecca, Heriberto, Bob and Maria are all my older students. I enjoy teaching them because they have a desire to learn and ask questions. Maria and Meki are my most frequent students twice a week. My class sizes fluctuate from 2 to 8 students. I enjoy my small class size because it is more personal. I'm able to get to know my students and have the time to help them when they have questions. I've been using Go Fish, matching games and other board games in my classes. The students enjoy playing the Go Fish card game. One of the topics was furniture in the home. I would give the students 5 cards and they would have to ask one of the students "are there chairs in your house? The other student would say "yes there are if they have the match or no there aren't if they don't have it. If the other student doesn't have the match the student says to the first student Go Fish. I've been adding a verse from the Book of Proverbs to each class lesson. After English class I help out by serving the drinks and give hand sanitizer for every one before we eat.

I continue to teach English at pastor Luis outreach Wednesdays and Fridays. I use the same material from the classes at pastor George's outreach, and all the students enjoy the games. My most frequent students from the grade school class are Juan 6th grade, Nicole 4th grade, Emily 5th grade, Julia 5th grade, Jackilen 2nd grade, and Jesus 7th grade. We have some new students and I'm getting to know them. I have lost a couple of students from the middle school and am reaching out to them to see what I can do to make the classes more enjoyable for them. Pastor Luis suggested that I open the class to adults also. Please pray with us that God will help me bring more animation and information for the students and that they continue to have a desire to learn English. Thank you
